- Each Eagle Claw specialty rod has been designed with years of experience to target a specific fishing technique or species.
- Actions are custom tailored to provide ease of use and the high performance that anglers have come to expect from Eagle Claw.
- Rods feature durable EVA foam handles for all day fishing comfort and a secure grip, aluminum oxide guides and graphite reel seats.
- Downrigger rods feature our new slick butt to make removal from rod holders quick and easy.
- Combos feature newly designed reels that are made with durability and performance in mind. Most reels come pre-spooled with the right line for the technique and species of fish that they have been designed to target.
- One year warranty.
