

TROUT BAIT PREMIUM GLOW

- Advanced Scent Technology™- maximum strength formula that catches big trout!
- Double strength glow formula contains Ultra Violet and Glow Light ingredients-best for first light, dusk and dark, deeper water conditions
- Floats higher with more hook-holding power than other trout baits-lands more fish!
- More swirled colors and glitter than the competition-attracts bigger fish
- Mold bait around an Eagle Claw Classic 374, 673, SB374 treble or use 06040 Eagle Claw trout rig
- Made in USA
- 1.5 oz.
